

Flexitime® is a unique premium program offered to Thoreau Club tennis players. Flexitime® offers the assurance that you'll never be without a playing partner in your skill level with your chosen time range, with unlimited tennis and complimentary instruction for one inclusive monthly fee.

## The Unique Benefits Of Flexitime®

- Unlimited weekly tennis matches with NO court fees for Flexitime and Open Court matches, Tennis University clinics, and matchmaking. This does not include court time for teams and leagues.

## Flexitime® Player Responsibilities

Flexitime® players agree to the following, as each Flexitime® player is an integral and essential part of our playing partner delivery system to every other Flexitime® player in their skill level:

- Always be on time and ready to play prior to your match time.
- Play up or down in skill level graciously whenever assigned. Understand and accept that playing down is an opportunity to improve and playing up is an opportunity to test your progress.
- Play singles or doubles willingly and graciously whenever assigned.
- Be positive, friendly and gracious toward assigned playing partners.
- Comply with all Flexitime® procedures, reservation guidelines, and player requirements.

## Flexitime® Procedures
